Carlow University | Student Visitor Policy

The Prepare to Care and Summer Science Nation and ECO Camp workshops include field trips to locations such as Children’s hospital of Pittsburgh, UPMC Mercy, the McGowan Institute of Regenerative Medicine and PPG Industries, as well as some other locations. These trips are integral to the planned purpose of the programs.

The students will travel by UPMC shuttle buses or Carlow University vans, accompanied by the program directors and student leaders. Under no circumstances are participants permitted to leave the Carlow University campus or other field site, without supervision by the Prepare to Care, Summer Science Nation or ECO Camp team leaders.

During my participation in the Carlow Summer Workshop Programs, I agree to honor the Carlow University policies, including activities off-campus. If any behavior occurs that violates Carlow's visitor policies, my parent or guardian may be notified and I may be asked to leave the program.

Program attending:

- Prepare to Care ___
- Summer Science Nation ___
- ECO Camp ___

Signature of Student: ________________________________

Date: __________

Medical Authorization

In the event of any injury or illness to my daughter during her participation in this program, I give permission for the necessary medical treatment to be given.

I agree that in case of injury to my daughter, I will apply my hospitalization and/or accident insurance toward payment of the expenses incurred, and will not look to Carlow University for the payment of any medical or injury-related costs.
